***Sister Cities International* Board of Directors approves Noah Miles as  
Wyoming State Coordinator**

WASHINGTON, DC -- *Sister Cities International* Board of Directors approved Mr. Noah Miles of Laramie as the State Coordinator for Wyoming. In his new role, Mr. Miles will act as a liaison between *Sister Cities International* at the national level and local communities in Wyoming to spearhead the growth of sister city programs in the state.

Mr. Miles is the President of the Laramie Sister City Organization and is currently involved in establishing Laramie's first sister city. Previously, he was associated with Tyler Sister City in Texas and helped establish their university exchange program.

Mr. Miles teaches Japanese culture and language at the University of Wyoming. He is a member of the National Council of Teachers of English and the Association of Teachers of Japanese.

State Coordinators are dedicated and experienced sister cities program volunteers. They serve as a resource at the local level to provide professional assistance and help, with support provided by *Sister Cities International*, to member communities in their state; and assist communities wishing to maintain or establish a sister city.

***About Sister Cities International***

*Sister Cities International* facilitates nearly 2,000 partnerships in 136 countries on six continents between 600 communities in the United States with similar municipalities abroad. *Sister Cities International* represents citizen diplomats who work tirelessly to promote the organizations' mission of creating world peace and cultural understanding through economic and sustainable development programs, youth and education projects, arts and culture, and humanitarian assistance.
